

Sandhurst System Priority - Enhancing Learning and Teaching through ICT

St Brendan's Parish Centre Shepparton

Tuesday 18th January 2011

Key questions:

Why is it critical that education in Sandhurst embraces ICT as a tool for learning?

What is the potential of ICT to enhance student learning and our work as educators in Sandhurst?

What are the implications for my personal learning as an educator in Sandhurst?

What are the implications for my role as an Education Officer in Sandhurst?

To bring:

Lunch

Laptop
